YOUTH EXCHANGE

# LET'S STAND UP FOR TOLERANCE

Everyone you meet is  
fighting a battle you  
know nothing about.

Be kind.

Always.

28. 9. – 6. 10. 2018, MURSKA SOBOTA – SLOVENIA

## ABOUT THE PROJECT:

Project Let's stand up for tolerance will encourage young people to be more tolerant to other nationalities, races, ethnic minorities, migrants, homosexuals and other groups. We want to spread awareness that we all have equal human rights. We will learn about hate speech, its manifestation and effects. As the largest channel through which hate speech is spread we will also learn about media and internet. We will learn of critical reading of media content. During the project we will run the campaign to promote tolerance and combating hate speech. Youth exchange will be implemented between 28th of September and 6th of October 2018 in Murska Sobota, Slovenia and will bring together 36 youth and youth workers from Slovenia, Poland, Greece, Romania and Portugal.

Project will also include youth with fewer opportunities.

Participants will

gain wider range of competences. They will improve their knowledge of foreign languages, improve their intercultural cooperation, meet new friends from other countries, improve their connection to common Europe, improve their public speaking and teamwork, learn how to defend their opinion and many other competences. Through the involvement of local media and the public we will also promote Erasmus + Youth in Action programme and encourage others to participate in the programme.
