About Timișoara

Timișoara is a special city. Everybody feels it, those who were born and live here and those who come here and then decide to stay. Timișoara is a city of parks and of heritage buildings, a city both cultural and sportive, a university city, and especially an amazing city to those visiting it. Timișoara is the city of freedom, which in December 1989 becomes the 1st communism-free city in Romania. Whether you choose to walk along the streets full of a fascinating history, or you choose from the rich cultural offer or an agitated night in the clubs or a refined one in some chic restaurant, Timișoara has got many things to offer.

Timișoara is a permanent space of cultural and ethnical interferences that offers the city multiple advantages. Timișoara is a rich cultural city with a particular architectural heritage, which gathers in a relatively small space an impressive heritage from different epochs and cultures, traces of different ethnic communities who have left their identity marks here.

Timisoara, the largest city in western Romania

The Romans used it as an important crossroads fortress until the Tatars destroyed it in the 13th century. Conquered by Turkish armies in 1552, Timisoara remained under their protection until 1718 when the region of Banat came under Austrian rule for two centuries.

- Timisoara was the 1st European city to introduce horse-drawn trams (in 1869) and electrical street lighting (in 1889);
- Timisoara was built on a swamp; The Metropolitan Cathedral has 5000 oaks supports underneath it;
- Johnny Weissmuller, Hollywood's original Tarzan, was born here;
- The 1st beer factory in Romania was opened here in 1718.

As a true youth city, Timisoara received the title of the **National Youth Capital** a programme resulted from the EYC Youth@Cluj-Napoca2015.

The implementation of this 1st edition has been under FTT's coordination since **1st of May 2016 until 1st of May 2017**.

Timisoara also
candidated along 3 other
cities in Romania for the
title of *European Capital
of Culture in 2021* and
it was the one who
received the grand title.

About us...

Timis County Youth Foundation (Fundatia Judeteana pentru Tineret Timis – **FITT**) was founded under the Decree-Law no. 150/1990. It is a public utility umbrella organization for youth NGOs and student unions (from 14 different specialties). With **30 member organizations** (2000 active young members) and 29 years of activity in the West Region, FITT is the most important, old and unique in respect of activity, legal provisions and its leaders profile, in this part of the country. Our foundation is a model of democratic behaviour, as well, being administrated by a General Assembly consisting of the youth NGOs in Timis County and a board consisting of 13 young people (aged between 18 and 35). **We focus on youth participation, local and national youth** policies and on promoting the European values at local, regional and national level that are so important to youth nowadays.

Tineret Timiș

We have in possession the **Timisoara Youth House** (a 11,000m2 impressive building) – **which, last year, has been awarded with The Council of Europe Quality Label for Youth Centres**. We are one of the eight such Youth Centres in Europe that have this Accreditation and the only one in Romania.

Another performance that is considered an asset is the administration of **INCUBOXX**, *the biggest business incubator in Romania and the only one specialized in IT* (6.300 m2). The Municipality owns the building and FITT's ltd. company is the administrator of the activity. The incubator is run by young people being under the Municipality of the city.

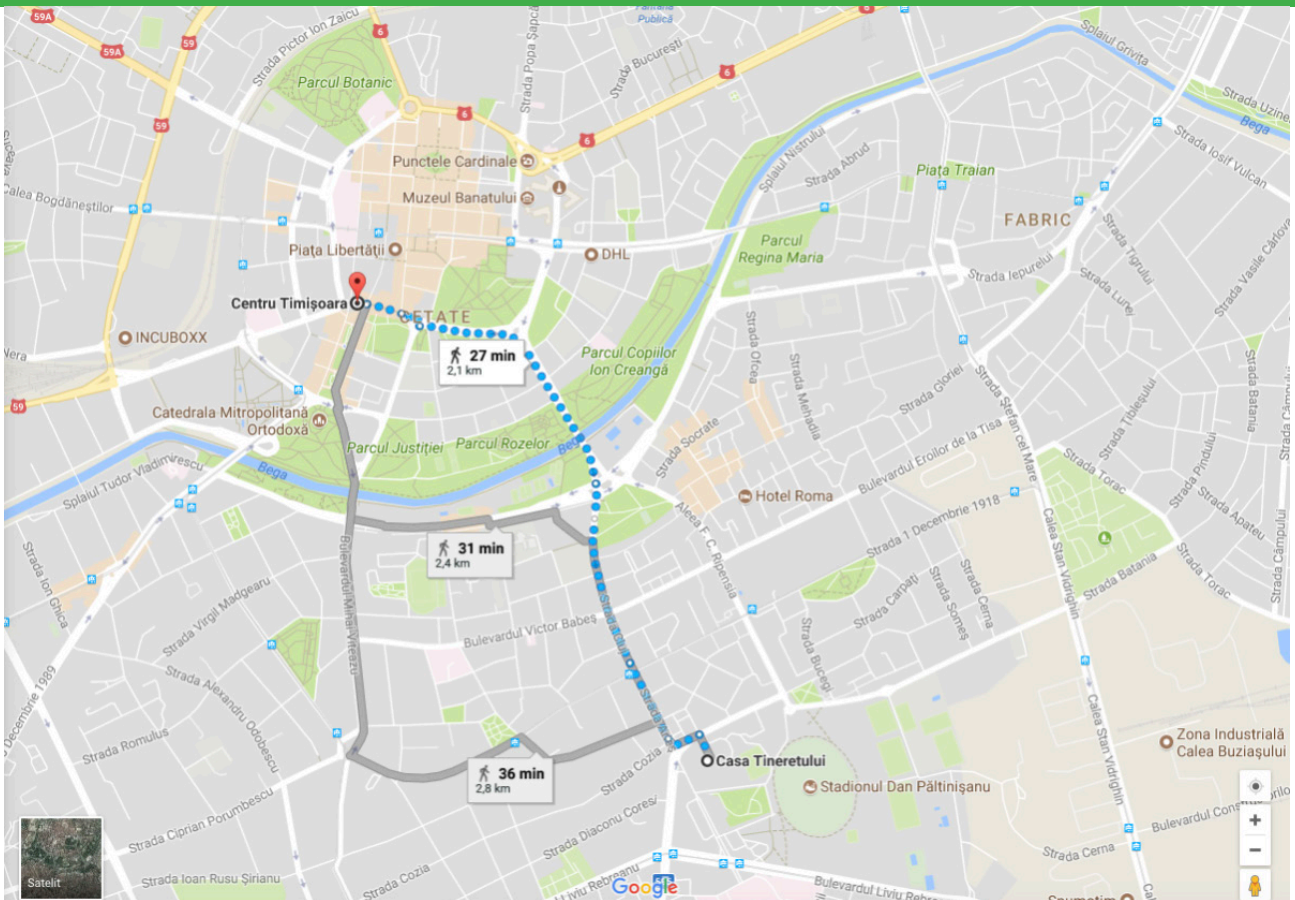

INCUBOXX

Also, FITT was involved in making the Local Youth Strategy for 2015-2020 and it is now in the process of putting in place the Timis County Youth Strategy for 2017 - 2022, this being some examples on youth participation and youth policy development on local and regional level.

Youth Center, where most of the activities will take place - the Youth House is close to the city center, around 2 km and a nice 25-30 minutes walk, and is close to the students campus, 15 minutes away.
